FUNDRAISING – Wildlife Warrior Style!

Firstly...

THANK YOU for contacting us to raise funds for our organisation. We are a non-for-profit organisation and rely heavily on the community to help us save wildlife, and every little bit helps. We hope this guide makes it easy for you to help us make a difference.

Who are we?

Australia Zoo Wildlife Warriors Worldwide was established in 2002, initially by Steve and Terri Irwin, as a way to include and involve other caring people to support the protection of injured, threatened or endangered wildlife - from the individual animal to an entire species. Throughout the world, we are striving for the protection of nature's innocent victims.

Our Vision

That people, wildlife and habitat survive and prosper without being detrimental to the existence of each other.

Our Mission

To be the most effective wildlife conservation organisation in the world through the delivery of outstanding outcome-based programs and projects, inclusive of humanity.

Our current conservation projects

-  Australian Wildlife Hospital at Beerwah QLD, Australia
-  Orangutan conservation, Sumatra
-  Tiger conservation, Sumatra
-  Elephant conservation, Sumatra and Cambodia
-  Cheetah conservation, South Africa
-  Tasmanian devil conservation, Tasmania, Australia
-  Whale research and conservation, based in the USA

With the knowledge that Australia Zoo is sponsoring all administration costs of the charity, we can ensure that all donations are applied 100% for the intent in which it was given. Simply by raising funds, you are helping save wildlife and habitat!
